

His Journey Has Just Begun

Don't think of him as gone away, his journey has just begun

Life holds so many facets, this Earth is only one

*Just think of him as resting from the sorrows and the tears
in a place of warmth and comfort where there are no days and years*

Think how he must be wishing that we could know today

how nothing but our sadness can really pass away

And think of him as living in the hearts of those he touched

For nothing loved is ever lost and he was loved so much
