Acknowledgements

*Perhaps you sent a lovely card
or sat quietly in a chair.*

*Perhaps you sent beautiful flowers,
if so, we saw them there.*

*Perhaps you spoke the kindest words
as any friend could say.*

*Perhaps you were not there at all,
just thought of us today.*

Whatever you did to console our heart,

We thank you so much,

whatever was the kindly part.

May God Forever Bless Each of You.

A special thank you to the staff of Pine Tree Lodge Nursing Home for treating my mom as family over the years, Accent Hospice Care for stepping in and giving mom the extra TLC needed in keeping her healthy and comfortable during her last few months, and to Harmon & Harmon Funeral Associates for their genuine care, concern, and support.

Mama

What an honor to call you mine
You are truly an epitome of strength
From early childhood you've been beating
obstacles of health that were against you
Never once did I hear you complain
Missing you and being heartbrokexn
now that you're gone is an understatement
I have a confession: I lied to you
when I told you I'd be okay if you were ready to leave
I'm not okay, mama. I knew you were tired
so how dare I be selfish after how selfless you've been to me
And now you finally have the peace
and joy you are so deserving of
Knowing this for certain, I'll continue to pray
that one morning my joy will come,
and I'll be okay with you being gone
I'm only laying your physical body to rest
This isn't goodbye; only farewell until I see you again
Your heart stopped beating inside your physical body,
but it is very much present in mine
See you later, mama.
Until eternity.
Your one and only.

Trina
