Remembering your laugh gets me through the day. You were always there for me, just a phone call away. Though I know you're in a better place, I will forever miss seeing the smile upon your face. You may be gone from my sight, but you will never be gone from my heart. Rest in Love Aunt Jeannie, rest on. I know you will watch over me from the heavens above.

Love, Se'Keitha (Keta)

Life is...

Life is a blueprint of the roads we have traveled.

The hearts we have touched

And the love we have shared.

Life is a tool to strength our hearts,

Our love, our faith and our trust in our Lord.

Life is not measured by what we have,

But rather by what we have to give AWAY.

Life is a treasured memory leaving the imprints

Of love in the hearts I has touched.

Life is a journey and a promise that will never end....

Jeannie, We miss you

Even though we are apart,
we know exactly where you are
every second of everyday

We know that you are right here in our hearts

Love Bobbie & PeeWee

Here we are again
That old familiar place
Where the winds will blow
No one ever knows the time nor place
Don't cry for me
Don't shed a tear
The time I shared with you will always be
And when I'm gone, please carry on
Don't cry for me
No one is the blame,
My death was meant to be
Don't carry guilt nor shame
The reason why I came soon you'll see
Don't cry for me
Don't shed a tear
The time I shared with you will always be
And when I'm gone, please carry on
Don't cry for me
Don't cry when life is not the joy it should be
With life comes pain
Soon time will end this course appointed
And you will be rewarded
And all the world will see
Don't cry for me
Don't shed a tear
The time I shared with you will always be
And when I'm gone
Life still carries on
Don't cry for me
We'll always be
Don't cry for me
From your cousins, Linda and Faye
