If I Knew

*If I knew it would be the last time that I'd see you fall asleep,
I would tuck you in tighter and pray the Lord, your soul to keep.*

*If I knew it would be the last time that I'd see you walk out the door,
I would give you a hug and kiss and call you back for one more.*

*If I knew it would be the last time I'd hear your voice lift up in praise,
I would videotape each action and word
so I could play them back day after day.*

*If I knew it would be the last time I could spare an extra minute or two to
Stop and say "I love you" instead of assuming you would KNOW that I do.*

*If I knew it would be the last time I would be there to share your day,
Well I'm sure you'll have so many more, so I can just let this one slip away.*

*For surely there's always tomorrow to make up for an oversight,
And we always get a second chance to make everything right.*

*There will always be another day to say our "I love you's"
And certainly there's another chance to say our "Anything I can do's?"*

*But just in case I might be wrong, and today is all I get,
I'd like to say how much I LOVE YOU and I hope we never forget*

*Tomorrow is not promised to anyone, young and old alike,
And today may be the last chance you get to hold your loved one tight.*

*So if you're waiting for tomorrow, why not do it today?
For if tomorrow never comes, you'll surely regret the day,*

*That you didn't take that extra time for a smile, a hug, or a kiss
And you were too busy to grant someone,
what turned out to be their one last wish*

*So always hold them dear, take time to say, "I'm sorry",
"Please forgive me", "Thank you", or "It's okay".*

And if tomorrow never comes, you'll have no regrets about today.
