## When I Must Leave

*When I must leave you  
for a little while  
Please do not grieve  
and shed wild tears  
And hug your sorrow to you  
through the years.  
But start out bravely  
with a gallant smile;  
And for my sake and in my name,  
Live on and do all things the same,  
Feed not your loneliness on empty days,  
But fill each waking hour in useful ways,  
Reach out your hand in comfort and in cheer  
And I in turn will comfort you  
And hold you near;  
And never, never be afraid to die,  
For I am waiting for you in the sky!*
