

In Memory Of

Joyce Hoersten

To my Family & Friends

*When I leave you don't weep for me.
 Pass around the snacks and remember
 Hugs and kisses are even better.
 Look at one another, smiling.
 And don't forget about laughing.
 Sing the songs that we loved best.
 And dance one time to all the rest
 I'll be watching over you from in the clouds
 So have fun and be loud.
 When you're read, I'll be there...
 With a big welcome to share.
 Take your time.*
