A Mother's Love is Forever

As children,
We can't comprehend
Or fully realize
The meaning of our mothers' love,
How tender and how wise,
The patience and forgiveness
That are part of every day,
The unexpected "little things"
She does in her own way.
Years go by before we can
Look back on life and see
Through older eyes and wiser hearts
Her love and loyalty,
And yet it's these
And other special things
We'll hold so dear,
For memories of
Her steadfast love
Will keep her ever near.

To My Wife

As I sit in Heaven
And watch you every day
I try to let you know with signs
I never went away.
I hear you when you're laughing
And watch you as you sleep
I even place my arms around you
To calm you when you weep.
I see you wish the days away
Begging to have me home
So I try to send you signs
So you know you are not alone.
Don't feel guilty the you have
Life that was denied to me
Heaven is truly beautiful
Just you wait and see
So live your life, laugh again
Enjoy yourself, be free.
Then I know with every breath you take
You'll be taking one for me.
