Acknowledgement

Perhaps you sent a lovely card or sat quietly in a chair,
perhaps you sent a floral piece if so we saw it there, perhaps you
spoke the kindest words that any friend could say, perhaps you were
not there at all just thought of us that day,
whatever you did to console our hearts we thank you so much
whatever the part

A letter to our grandma

Like a ship that left it mooring and sails bravely out to sea,
Someone dear has sailed away in calm serenity,
But there's a promise of a greater joy than earth could have in store. For God has planned a richer life beyond the unseen shore
