## “Remember Me” by Anthony Dawson

Speak of me as you have always done.  
*Remember the good times, laughter, and fun.*

*Share the happy memories we've made.*  
*Do not let the wither or fade.*

*I'll be with you in the summer's sun*  
*And when the winter's chill has come.*

*I'll be the voice that whispers in the breeze.*  
*I'm peaceful now, put your mind at ease.*

*I've rested my eyes and gone to sleep,*  
*But memories we've shared when I was at my best.*

*Although things may not be the same,*  
*Don't be afraid to use my name.*

*Let your sorrow last just for a while.*  
*Comfort each other and try to smile.*

*I've lived a life filled with joy and fun.*  
*Live on now, make me proud of what you'll become.*

## Darin the Great

When I tell your story, I'm going to tell them about Darin the talker, how you were the center of attention in any room with your entertaining stories.

When I tell your story, I'm going to tell them about Darin the protector, one thing you didn't play about were those you loved.

When I tell your story, I'm going to tell them about Darin the chef, hands down the best grilled chicken I have ever had.

When I tell your story, I'm going to tell them about Darin the artist, you wrote the most beautiful poems from deep down inside that beautiful heart of yours.

When they tell my story, tell them Darin taught me to forgive, to be patient, to serve others, and to love unconditionally.

**I am forever grateful for you and will love you eternally,**  
**Your niece, Danielle**
