

A Very Special Sister

*For many years we've shared our lives
One roof we once lived under
Sometimes we laughed, sometimes we cried
Through winter storms and thunder
The younger years have faded fast
We've gone our separate ways
But through all time our friendship lasts
Our bond in life remains
As summer brings the happy times
The autumn winds will whisper
A closer friend I'd never find
Thank the one I call my Sister.*

-By: Vernon, 1985

*I thank you for your kind words and for being the beautiful
you,
For listening to me regardless of whatever you had to do.
Thank you for the gifts of love and for going out of your way.
Thanks for all of the great "just us girls" days.
I miss your calls, I miss your smile.
Your laughter still rings clear.
As I type this and remember your kindness, I am reminded
that your spirit is still here.
There are no words that I can conjure, write, or even say to
convey how much I am missing you everyday.
So I will remember your smile with happiness and treasure
the love you gave, and on a rainy day I'll open up the sunshine
of you that I saved.*

WHEN I GO

*When I go don't learn to live without me just to live with my
love in a different way.*

*And if you need to see me close your eyes or look in your
shadow when the sun shines.*

I'm here.

Sit with me in the quiet and you will know that I did not leave.

There is no leaving when a soul is blended with another.

*When I go don't learn to live without me just learn to look for
me in the moments.*

I will be there.
