

Goodbye Mom

Seeing you draped in white
My heart breaks, hope out of sight.

Mom you left too soon
I hadn't loved you enough.
Our relationship was never ideal
Our journey very tough.
My love for you hasn't died
So I will not entomb my heart.
I'll let it manifest in things
Let this be a new start.

As you leave today
Let me cry, let me say
My mom was my hero.
Leading me to right
Forgiving and loving
A star so bright
So I lose today
My support, my light.
My hear mom.
Making my life bright.

Losing my mom, I lost myself today
In darkness so deep
I try to find light, just a ray
Just enough to hold on
Hold on to life.

The final goodbye said
They bury her – before my eyes.

After Glow

*I'd like the memory of me to be a happy one.
I'd like to leave an after glow of smiles when life is done.
I'd like to leave an echo whispering softly down the waves.
Of happy times and laughing times and
bright and sunny days.
I'd like the tears of those who grieve to dry before the sun.
Of happy memories that I leave when my life is done.*
