The flowers that you sent that day,
The cards that you mailed along the way,
The service you stopped by to render,
The gifts you brought with thoughts so tender,
The prayer you said which played a part
In easing that pain that was in our hearts,
Each helped us to find the strength to bear
The loss of one we held so dear
It was to us a great comfort indeed
To see you in the time of sorrow and need;
So from the hearts which you tried to help mend
We thank you sincerely again and again
For being such truly wonderful friends.
