“A Wish And A Prayer” For Our Brother”

May your spirit soar in freedom from the fears that gripped so tight. May you find the peace you searched for as you wandered, lost in the night.

May your tortured mind be clear and calm, and your tender heart be warm. May you have no need for strength now. May there never be another storm.

May the music of the angels be the sweet sounds that you hear. As you are rocked in Heaven’s cradle may you never shed another tear.

We will wear your memory proudly, My brother, My friend. For now, you will be joined with our mother, our father and our brother in the Masters Kingdom; where no sorrows, no pain, no worries lay.

*May all our love for you reach Heaven above,
Until We Meet Again!!*
