

My Hero, My Idol, My Role Model, My Friend, but most of all My Father. I miss you more than anything in this world. I wrote this one for you

I'm just like you
And you're just like me.
And I can't express
How much you mean to me.

A great man I'll be
If I'm half the man you are.
Because from the top of the tree
The fruit doesn't fall far.

You taught me how to change
From a boy to a man.
You helped me understand things
I really didn't understand.

Whenever I needed you
You were a call away.
Rain, sleet, now
Night or day.

You've been there for me
In more ways than one.
And it makes me so proud
To say that I'm your son.

Thanks for being my friend
When no one else would bother.
But most of all
Thanks for being MY FATHER.

Love Ya Turkey
