

### *If Only Heaven Had Facetime*

*If only heaven had a facetime, so we could call you,  
let you in on all that has been happening since you've been gone.*

*If only heaven had a telephone, We would call you everyday,  
We would tell you that we are missing you, since you went away  
We would tell you that we love you, and that nothing is quite the same*

*If only heaven had a facetime  
We could still hear your contagious laugh one more time*

*If only heaven had facetime,  
We could hear your voice one last time.*

*If only heaven had facetime for*

*One more joke.....*

*One more laugh.....*

*One more smile.....*

*There will never be another quite like you!!!!*

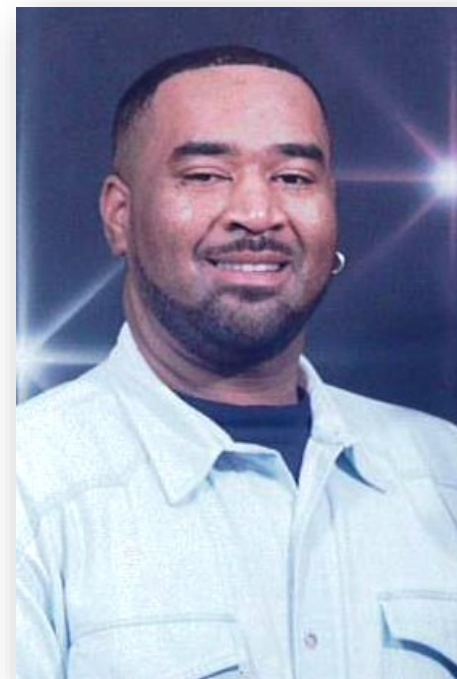

*Do all things decently and in order.*
