## *Ma, Our Queen*

We love you and we will miss you dearly. We were not prepared to lose you, but we know that you and dad raised us to have the strength to get through this. For this we thank you and thank God for you. We wish we could have many more years and memories to make with you, but all we can do now is trust in God and thank Him for blessing us with the time we had with you.

## *Our Mother*

loved to smile for the camera and capture memories with her children and grandchildren. We would like to honor her by sharing some of her memories.

**Be an Esther, bold and courageous enough to stand for the truth, To voice your opinion, and fight for the good of others, even when it means to sacrifice yourself. If God has put you in a position, it is for a purpose. Never be afraid to heed to that inner voice.**
