## The Life & Legacy of

### Mr. Robert Greene

Robert was born in Farmville, NC and raised by his late aunt, Annie Green Barnes (Moses). He received his spiritual training at Lewis Chapel FWB Church. Robert attended HB Sugg School and the Eastern Carolina Vocational Center.

Robert had a big smile, deep dimples, beautiful curly hair and a rich baritone voice. He was respectful, obedient, kind, helpful, friendly and at time mischievous like any other child. He was the little and big brother to one sister and four cousins. Robert loved family. He lived life to the fullest and did not see his challenges as limitations.

Robert worked on the farm, at Walmart Express and the laundromat in Snow Hill. He never met a stranger and loved to laugh and joke with others. Robert was well known in the Snow Hill community and could be seen taking his daily walk around town.

Robert was preceded in death by his parents, James and Eva Green, 3 brothers: Willie, James, and Milton. Robert leaves to cherish his memories: his devoted sister, Eva Green Tyson of Winterville, NC; 1 son, Robert Whitehurst of Greenville, NC; 4 grandchildren, 1 nephew, 4 nieces, 3 great nephews and 5 great nieces, 1 great great nephew, and a devoted sister-in-law, Carolyn Suggs, 4 special cousins: Deborah, Renee, Sheila and Annie and a host of cousins and friends.

Eva Green,  
You are not the  
boss of me.
