following the interment.

- Obituary -

Crystal Loraine Burroughs
"280"

Daughter of Simon Burroughs and the late Belinda Ebron Burroughs was born on August 18, 1978 in Pitt County. On Sunday morning, September 15, 2019, our beloved daughter, mother, sister, niece and friend departed this life into eternal peace.

Crystal graduated from Farmville, Central High School in 1997 and later studied at Pitt Community College.

Crystal was employed at Positive Influences Inc. in Florence, SC as a Medical Records and Billing Specialist. She enjoyed cooking and was a great party planner. She enjoyed spending time with family and friends. She especially enjoyed her son, Criston. She adored him, he was the center of her life.

As we pause to celebrate our love and remembrance of her, we thank our Lord for allowing her to be a part of our lives.

Crystal leaves to celebrate her life: Companion, Ivan Cooper of Florence, SC; father, Simon Burroughs of Farmville, NC; brothers, Keith Burroughs, Bobby Cumminings and Montreal Burroughs (deceased); and the joy of her life, her son, Criston Ivan Cooper; special niece, Mo'nasia Burroughs; goddaughter, Ja'Miya and best friend, Shameika Harris; numerous other loving family members and friends will share her legacy. We all love you Crystal and will miss you always.

God saw you getting tired,
And a cure was not to be.
So He put His arms around you,
And whispered, "Come to me."

With tearful eyes we watched you,
And saw you pass away.
Although we loved you dearly,
We could not make you stay.

A golden heart stopped beating,
Hard working hands at rest.
God broke our hearts to prove to us,
He only takes the best.

Just Because You Don't See Me

Just because you don't see me
Doesn't mean that I don't care
Just because you don't see me
Doesn't mean God didn't hear our prayer

It only means that I'm with him now
And we know that he is everywhere
So when you pick out your clothes every morning
I'll be whispering what to wear

And when your shoes doesn't match
I'll tell you to pick out another pair
Every time you sit down to eat
I'll be watching from the other chair

When you're playing with your friends
I'll be reminding you to share
When you come inside from play
I'll be sure to fix your hair

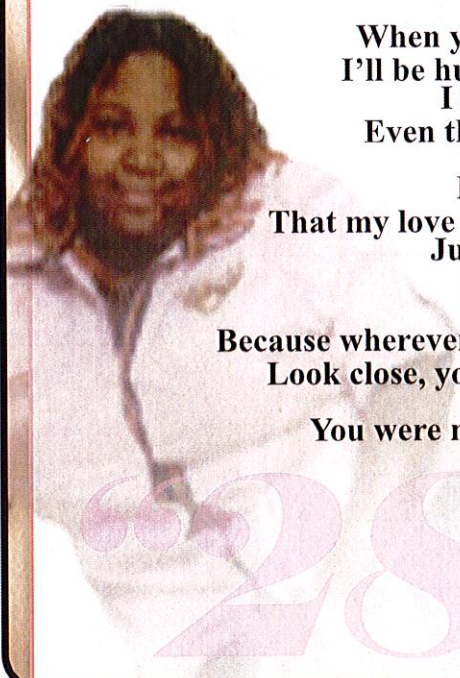

When you're falling asleep at night
I'll be hugging you like a teddy bear
I don't want you to be scared
Even though this doesn't seem fair

My sweet child, don't forget
That my love for you is precious and rare
Just because you don't see me
Doesn't mean I'm not there

Because wherever your little heart is beating
Look close, you'll find mine beating there

You were my angel and now I'm yours

Love Mommy
