- MR. SAMUEL L. FLOYD -

Spent his early growing up years in and around the Farmville area. He attended Farmville Public Schools. As a young man, he worked on the farm. Later in life he traveled to Kentucky with the tobacco buyers and worked in the tobacco market. Later he returned to Farmville and got married; to this union five children were born.

In May 1969 he found himself in the Grifton area where he met Erma. After dating for several months Erma and Sam were married August 7, 1970. In 1968 he gained employment at Empire Brush, and retired in 1996. He was employed there for 28 years. Out of those 28 years he had perfect attendance for 11 years. After retirement he worked part-time for Dimon Tobacco Factory in Farmville. Although Sam was employed full-time he was kept busy doing plumbing maintenance for a countless number of families in his community and surrounding areas.

Sam was a perfect example of a family man. He loved his family. Sam was a very giving person; he loved people and was willing to do all he could to assist others in any way he could. He enjoyed working around the house and loved gardening. Sam was not one to sit around doing nothing for long periods of time. He believed in keeping busy and doing meaningful tasks. *"I shall pass through the world but once, if therefore there be any kindness I can show, or any good thing I can do, let me not stop (deter) it nor neglect it. For I shall not pass this way again..."*

Sam is survived by his children, David Earl Newton, Jr., Diane Floyd Perkins, Billy Ray Floyd, Robert Mitchell Floyd, Joy Frizzelle Floyd, Angela Mewborn, brother-in-law, Robert James (Lola), sisters-in-law, Arletha Plummer, Mary Jessie, Carolene Brown, Betty Walkins, Blanche Elmore and a host of nephews, nieces, grandchildren and great-grandchildren.

Sam this is your time to shine, your time in the spotlight, your time to receive, as you have given so much to so many in your life time.
