### When I Must Leave You

When I must leave you for a little while'  
please do not greive and shed wild  
tears and hug your sorrow to  
you through the years, But start  
out bravely with a gallant smile;  
And for my sake and in my name,  
Live on, do all things the  
same, Feed not your  
loneliness on empty days,  
But fill each waking hour  
in useful ways, Reach out  
your hand in comfort and  
cheer, And I in return will  
comfort you and hold you  
near, And never be afraid  
to die, For I am waiting  
for you in the sky.
