

Miss Me, But Let Me Go!

When I come to the end of the road
And the sun has set for me
I want no rites in a gloom filled room
Why cry for a soul set free?

Miss me a little - but not for long
And not with your head bowed low
Remember the love that we once shared

Miss Me, But Let Me Go!

For this is a journey we all must take,

And each must go alone

It's all a part of the Master's plan

A step on the road to home

When you are lonely and sick at heart

Go to the friends we know

And bury your sorrows in doing good deeds,

Miss Me, But Let Me Go!
