- Obituary -

God saw the path was getting hard,

The hills hard to climb.

So he gently closed your eyes

And whispered come home my child "peace be thine".

Ronald Ray Reid

The son of the late Robert and Catherine Reid was born on May 15, 1961 in Pitt County, NC. He was a member of Mt. Moriah United Holiness Church in Farmville, NC. Ronald accepted Jesus Christ as his savior and he openly shared his faith with others. His favorite scripture was Psalm 23. He transitioned to his heavenly home on August 7, 2020.

Ronald attended Pitt County Schools. He graduated from Farmville Central High School in 1980. He attended East Carolina University under a football scholarship where he was a profound athlete. During his college years he was able to have an extended family with his friends and teammates of the Pirate Nation. Ronald was employed with Vidant Medical Center for 16 years until his retirement in 2019.

Ronald had a love for sports. He was loyal to all of his favorite teams which included: Farmville Central Jaguars, ECU Pirates, Duke Blue Devils, and Washington Redskins. Because of his love for sports, Ronald came back to his high school Alma Mater where he became an assistant coach for Farmville Central Jaguars in football and basketball. He coached for over 30 years. Coach Reid was an influence to the players, students and the Farmville community.

Ronald loved the game. But his greatest love was his family. He met and married the love of his life, his wife Pam. They have been together for over 32 years. He always had a special love and connection with all of his brothers and sisters. He cherished his daughter Jennifer. He had a special bond with all of his nieces and nephews especially his great nephew Keiston. But his greatest joy was his grandson, Tyler.

A REASON, A SEASON, A LIFETIME

I came into your life for a REASON or a SEASON.

If I was in your life for a REASON, it was to meet a need you may have expressed. I came to assist you through your difficulties, to provide you with guidance and support, to aid you physically, emotionally, and/or spiritually. I may have seemed like an angel, but I was merely a humble servant of God. I was here for the reasons you needed me to be here. "God's Perfect Plan" was that your needs be met and your desires fulfilled; so my work is done.

If I came into your life for a SEASON, it was because your turn had come to share, grow, and learn. During our SEASON I brought you experiences of peace, lessons of humility, and even made you laugh. I may have taught you something you would have otherwise never known. "God's Perfect Plan" was that I give you an unbelievable amount of joy; so my work is done.

Whether I came into your life for a REASON or a SEASON, "God's Perfect Plan" has been met. God's desire is that you learn from our time together; and apply all you have learned to your Christian walk in all areas of life; so my work is done. Our Journey together in this world has come to an end, and now it is time to say "UNTIL WE MEET AGAIN."

Thank you for being a part of my life.
