REMEMBER OUR

Love

I was chosen today
I'm learning to fly
The world took me away
But please don't cry.
And I chose you today
To try and be strong
So please don't you cry
And don't say that I'm gone.
When you're feeling alone
Just remember our love
I'm up near the stars
Looking down from above.
Remember our love
In a moment you'll see
That I'm still here beside you
When you're thinking of me.
