I'm Free!

*Don't grieve for me, for now I'm free,
I'm following the path that God made for me.
I took his hand when I heard him called,
Then turned, and bid farewell to all.*

*I could not stay another day,
To laugh, to love, to sing or play.
Tasks left undone must stay that way,
I've found my peace at close of day.*

*If my parting has left a void,
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss,
Ah yes, these things I too will miss.*

*Be not burdened, deep with sorrow
I wish you sunshine of tomorrow
My life has been full, I savored much.
Good friends, good times, a loved one's touch*

*Perhaps my time seemed all too brief
Don't lengthen it now with grief.
Lift up your heart and share with me,
God wanted me now, He set me FREE!*
