

The Comfort and Sweetness of Peace

After the clouds, the sunshine, After the winter, the spring, After the shower, the rainbow, for life is a changeable thing. After the night, the morning, Bidding all darkness cease, After life's cares and sorrows, The comfort and sweetness of peace.

Life Is But A Stopping Place

Life is but a stopping place, A pause in what’s to be, A resting place along the road, to sweet eternity. We all have different journeys, Different paths along the way, we all were meant to learn some things, but never meant to stay....

Our destination is a place, far greater than we know. -Author unknown~
