## The Door That Never Closes

*There's a door that never closes though it opens but one way,  
it's the door that leads to Heaven at the end of life's long day,  
It's the threshold of forever where the heart is always glad,*

*it's a respite for the weary*

*and a comfort for the sad.*

*It's the door to peace and healing*

*and the door to joy and grace,*

*where the Master greets each guest by name and*

*with warm embrace. And the loved ones who pass*

*through into the light that's shining there,*

*find a sweet and perfect home*

*within our Father's loving care.*
