

### *A Shadow of Moonlight*

Like a shadow in the moonlight, like the whisper  
of the seas, like the echoes of a melody, just  
beyond reach. In the shadow of our sorrow, past  
the whisper of goodbye. Love shines through  
eternity, a heartbeat from my eye.

From the pillow of Love, Tangela

### *Miss You Brother*

Your actions were always kind  
A generous hand and an active mind  
Anxious to please and loath to offend  
A loving brother and faithful friend  
We'll all miss you very much.

Forever Memories,  
The Singletary Siblings

### *Epitaph of a Friend*

An honest man here lies at rest, as God and  
Him image blest. The friend of a man, the  
friend of truth; the friend of age, and guide of  
youth. Few hearts like his, with virtue  
warmed, few heads with knowledge so  
informed. If there's another world, he lives in  
bliss. If there's none, he made the best of this.

Will miss you Dad, Wendell Jr, Damarick, &  
Tiara
