OBITUARY

OBITUARY

George W. Gause, affectionately referred to as "G" or "GW" was born May 21, 1943 in Brunswick County North Carolina to the late Pency Gause and George Whitmore. George passed away at 1:40 am on Saturday June 8, 2019 at St Barnabas Medical Center in Livingston, New Jersey.

George and Sarah met in school and went to the same church, Pleasant View Missionary Baptist Church. They both joined Pleasant View at an early age and were faithful members. After beginning their courtship, they visited Sarah's brother Caro in New York. They eventually settled in New Jersey where George's Aunt Daisy lived. They were married by Aunt Daisy's pastor, Reverend Foote.

George was a man of faith and he attended Hopewell Baptist Church in Newark NJ. He enjoyed reading the word of God and he had a special Blue Bible that he treasured. The book of Psalms was one of his favorite Bible books.

George started working at Overlook Hospital in Summit, New Jersey in the maintenance department. Next he worked for Neibert Furniture driving their truck and making deliveries. George's keen sense of direction and his ability to find any place or location made him outstanding as a driver and a valuable employee.

Tired of working for others, George started his own successful business. George Trucking allowed him to support his family until he retired. For many years, George and Sarah worked hard to raise their four children and several grandchildren.

George was a hardworking, skilled, self-taught craftsman that could build or fix anything inside or outside of a house. Always looking to keep busy, he would buy and flip houses. He was a self-taught mechanic and could fix any car. George was truly a "Jack of All Trades".

A skilled gardener with a green thumb, George took pride in landscaping his home. He was always trimming his hedges, planting flowers and cultivating his vegetable garden.

George also served as the President of the Hollywood Kings Social Club. Under his direction, the club organized and sponsored many social events and activities including the annual, fun-filled and popular "Barn Dance" and bus rides to Atlantic City, New Jersey.

George loved his family and he regularly visited his family in the south and had a special fondness for his uncle Jethro Hart.

George was a handsome, hardworking, fun-loving, generous man and he will be greatly missed.

To lose someone I loved so much
brings pain beyond belief
there are no words to ease my pain
my sadness and my grief
I feel I've lost someone so close
so wonderful and dear
I think about your special ways
and wish that you were near
But although you have left this world
you'll stay within my heart
guiding like an angel
even though we are apart
For love is everlasting
and so are my memories-
your legacy that's always there
to light the way for me

Sarah

THE CORNER STONE OF THE FAMILY

A tower of respect and admiration.

His wife at his side, lovingly cherished by his family.

Through his words of wisdom and encouragement,
his children grow in knowledge and are blessed to have him.

Exercising his right of authority to maintain peace, balance and harmony,

Guiding and instructing his little ones.

Sacrificing his life for family,

Providing shelter and sustenance so that all may survive.

He contemplates and marvels at his greatest achievement,

A family, *the monument of his life*, a great treasure without measure.

Protecting, caring and nurturing his greatest asset for the benefit of his lineage.

Making sure that all is safe, till, he takes his last breath.

Our friend, Our father, *He is our Dad*
