The Matriarch of the Mitchell Family

Fronie Mae Mitchell, passed away on Wednesday, October 30, 2019. She was the loving Christian mother of 12 children (6 boys and 6 girls), many grandchildren and great-grandchildren. Her husband was Charles James Mitchell who preceded her in death.

Fronie Mae was born on January 24, 1930, as the second child of Pross and Fronie Drye who had four children (2 boys and 2 girls). She was named Fronie after her mother's name which was a Native American tradition. Fronie is also the Greek word for *wise* in Matthew 7:24 (pronounced *fron'-ee-mos* Strong's Greek Dictionary) .

She truly loved the Lord and chose to serve Him at an early age asking the Lord to give her a double portion of the Holy Spirit.

She enjoyed tending to a large garden from which she cooked, canned, and shared the produce with many others. She was known both for her strength of character and gentle warmth of nurturing.

Like her mother, she memorized and repeated the Scriptures such as Psalms 23 (The Lord is My Shepherd), Psalms 1 (Blessed), Matthew 6:9-13 (The Lord's Prayer) and Psalms 107:1 "O give thanks unto the Lord, for He is good: for His mercy endureth for ever." She died while sleep and continues to rest in peace awaiting the blessing of the resurrection.

God sends His bright spring sun to melt the ice and snow
To make the green leaves to bud and to make the flowers grow
God sends His love to us, to make our goodness grow
So let us be sweet like the flowers that grow in the garden
