

*In Loving Memory
of a special
Auntie*

The day you left and gained your wings

Our hearts just broke in two

We wish you could have stayed with me

But heaven wanted you

You left us with the memories

And we love you dearly still

No matter how much time goes by

You know we always will

You were a very special person

With kindness in your heart

And the love we had together

Grows stronger now we're apart

We know we cannot bring you back

Although we wish it everyday

But a piece of us went with you

The day you went away

Nieces and Nephews

Our Tribute

*To our mama, our rider, and our best friend
You were the one that taught us things we need to know
Even when we acted like we were not listening
Our feelings we did show
Mama, the day you left us, we couldn't take it
Now that you're gone
How are we going to make it?
But we know you are in a better place
And we did what we had to do.
You will always be our mama, our rider, and our best friend.*

*Love your daughter and son
Lakeita and Antonio*
