

Faith

Faith is like a candle flame, a glow that keeps us strong, and faith is there to see us through when things seem to go wrong. Life's not always easy, we're bound to have some sorrow, but faith can help to get us through, to a better day, tomorrow. So when you burn this candle, and you see its steady light, remember that your faith will help make dark days seem more bright.

The Obituary

A time to be Born...

Rose Annette Coleman Cutler was born on June 30, 1946 in Whiteville, NC to the late Charles and Hester Coleman.

A time to be Love...

In the early 1980's she married Woodrow "David" Cutler who preceded her in death.

A time to Learn, Work and Play...

"Annette" attended Central H.S. in Whiteville, NC. Annette moved North in the late 60's where she embarked on her independence. She attended Essex County Community college where she obtained her Associations Degree in Finance, and was employed at Tetley Corporation where she worked for approximately 20 years before she moved back home to Whiteville in the late 1990's to help with her parents.

In 2003, "Miss Annette" joined the team at Community Innovations as an Assistant Manager at the "Honey Hill House" where she worked until her health failed.

In her spare time Annette enjoyed crocheting, putting puzzles together, cooking and feeding her friends and family. Annette had the kind of spirit and wit that made one smile even when it was the last thing they wanted to do. Then she'd join in! 🍌 Yes, she was highly favored and will be sorely missed.
