STEVEN MICHAEL TATE

Steven Michael Tate, born September 2, 1989 in Reno, Nevada to Erin Stewart (Corbin) and Steven B. Tate, received his wings on September 5, 2018 due to complications of pneumonia. Steven accepted Christ as his personal Savior at the age of 10, while attending Shiloh Missionary Baptist Church. He was active in the Children and Youth Choir as well as the Young Adult Ministries and later was a founding member of Sheep of the Good Shepherd Fellowship.

In Sacramento, Steven attended Florin High School, where he lettered in football and pursued his passion for music with the school's marching band. In June 2007, he graduated with both academic honors and special recognition with selection into the Sacramento MLK High Steppers Marching Band.

In May 2013, he earned a Bachelor's degree in Business Administration from Xavier University of Louisiana in New Orleans. At Xavier, Steven became a founding member of the X-Factor Drumline.

While studying at Xavier, Steven met the love of his life, Princess Jennifer Nicole Smith. On May 7, 2016, Steven proposed to Jennifer and they immediately started to plan their life together as husband and wife. Their wedding was scheduled for December 9, 2018.

Steven entered into lifelong brotherhood becoming a dedicated member of Phi Beta Sigma Fraternity, Inc. He was faithful and committed, serving in his local chapter as treasurer, until his death. He was often relied upon to share his youthful outlook and to help execute the organization's vision.

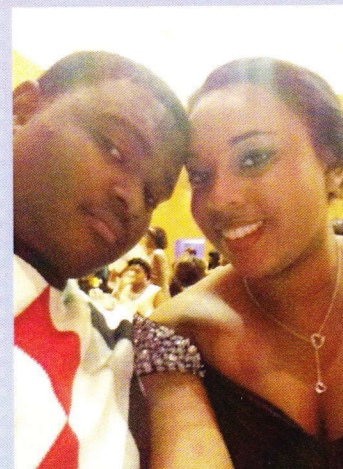

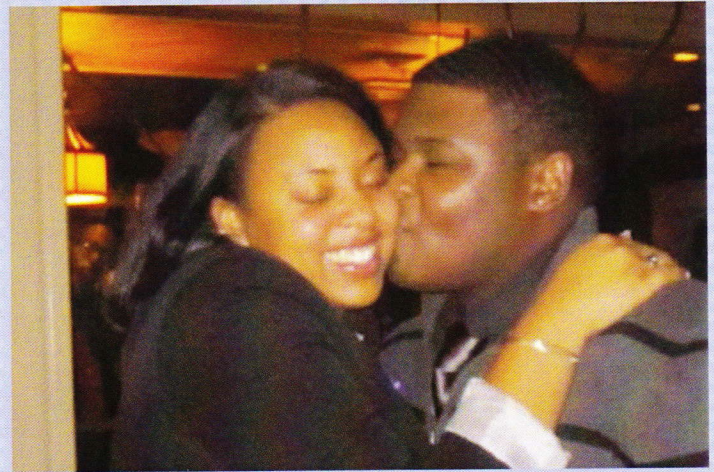

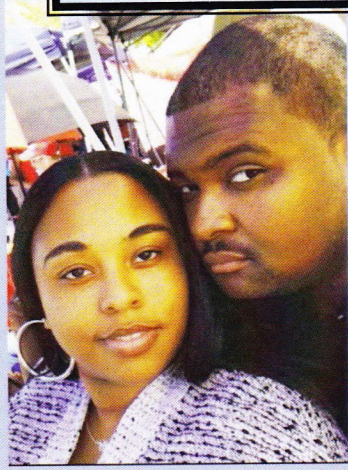

After graduation, he worked for four years in Sacramento with the State of California's Department of Corrections and Rehabilitation where he was quickly promoted to Information Analyst and later transferred to the Department of Health Care Services.

Steven joined The Full Effect Entertainment, LLC (West Coast) as DJ Black Jedi, allowing him to fulfill his passion for music. In addition to his work as a DJ, he was also assistant director of Full Effect music videos, participated in Full Effect podcasts, and will always be seen as the spirit and backbone of the Full Effect Entertainment, LLC operations. Even in sickness, Steven found a way to participate in special events and other Full Effect activities.

Steven is survived by his Fiancé: Jennifer N. Smith, Parents: Erin Stewart (Timothy), Steven B. Tate (Deborah), Brother: Nicholas Woodward (Roselyn), Maternal Grandmother: Evelyn Corbin, Paternal Grandmother: Carolyn Tate (Arnold), Uncle/Daddy: Michael Corbin (Lehny), Kimberley Williams (Corbin), Karen Marshall (Andrew), Tracy Tate and a host of cousins including Michael-Bradley and Jessica-Michelle who were very special to Steven and Godchildren: Nicholas Woodward, II and Eryn Calhoun,

Preceding Steven in death were his maternal grandfather: Will Corbin, Jr., paternal grandfather: Bennie Tate, Jr., and both maternal and paternal great-grandparents.

STEVEN AND MOM

A letter to my Steven,

You are the best son I could have prayed for. You made me proud of you everyday. From the time you entered this world I knew you were special. You are the only child I know that came on the exact due date. When I spoke about you, people always told me "he can't be that good" but yes you were. You are so loving, kind & giving. I feel so blessed that we were able to spend so much time together. I miss you so much. I love you forever! My baby, my Skillet.

Mom
