The Broken Chain

We little knew that day that God was going to call your name In life we loved you dearly In death we do the same It broke our hearts to loose you You did not go alone; For part of us went with you, The day God called you home You left us peaceful memories, Your love is still our guide; And though we cannot see you; You are always at our side. Our family chain is broken and nothing seems the same But as God calls us one by one; The chain will link again.
