keep us in your prayer as  
we continue on this journey called life without Thomas

Thomas,  
When God saw you getting tired  
And a cure was not to be  
He put his arms around you  
And whispered come to me  
He didn't like what you went through  
And he gave you rest  
His garden must be beautiful  
He only takes the best  
And when we saw you sleeping  
So peaceful and free from pain  
We wouldn't wish you back  
To suffer that again  
Today we say goodbye  
And as you take your final rest  
That garden must be beautiful  
Because you are one of the best.
