

To Those I Love and Those Who Love Me

*When I am gone, release me, let me go -
I have so many things to see and do.
You mustn't tie yourself to me with tears,
Be happy that we had so many years.*

*I gave you my love. You can only guess
How much you gave to me in happiness.
I thank you for the love you each have shown,
But now it's time I traveled on alone.*

*So grieve a while for me if grieve you must
Then let your grief be comforted by trust.
It's only for awhile that we must part
So bless the memories within your heart.*

*And then, when you must come this way alone,
I'll greet you with a smile, and "Welcome Home".*
