

## ***I'm Free***

*Don't grieve for me, for now I'm free  
I'm following the path God laid for me.  
I took his hand when I heard him call;*

*I turned my back and left it all.*

*I could not stay another day,  
To laugh, to love, to work and play.  
Tasks left undone must stay that way;  
I found that place at the close of day.*

*If my parting has left a void.*

*Then fill it with remembered joy.*

*A friendship shared a laugh, a kiss;*

*Ah yes, these things, I too will miss.*

*Be not burdened with times of sorrow*

*I wish you the sunshine of tomorrow.*

*My life's been full, I savored much;*

*Good friends, good time, a loved ones touch.*

*Perhaps my time seems all to brief;*

*Don't lengthen it now with undue grief.*

*Life up your heart and share with me,*

*God wanted me now*

*He set me free*
