The Obituary

Patricia Wych Almon was born on June 20, 1955 in Detroit, Memorial Hospital, to the late Hoston Sr. and Lucilla Almon.

Patricia, affectionally known as "Sis" was educated in the Detroit Public School System, graduating from Cass Technical High School in 1973. She also received her Bachelors degree from Kentucky State University and a Masters degree from Wayne State University.

She went in to teach, 30 years, in the Detroit Public school, guiding middle school children. Patricia accepted Christ at an early age. She joined, Church of The New Covenant, and became a member of the widely acclaimed choir.

She loved her church and attended regularly until her illness made it hard for her, mobility. She was a member of various organizations. She was also very philanthropic. She loved to dress and loved listening to music (Gospel and R&B).

She also loved to go on trips and she really enjoyed Las Vegas, traveling with her niece Anjelica. Those that came in contact with her, left her presence with great respect. She became an advocate for people who were new to Kidney Failure, until her transition.

She was loved and will be missed by many families, church associates, and friends. Patricia was community oriented and was involved in block club activities.

On January 27, 2021 with her niece by her side God called her home. Patricia leaves to mourn her death, a brother Hoston Jr., a sister Theresa, niece Anjelica, nephews Hoston III, Ernest, Hoston and Jahwill Fannings of West Point, GA. She also leaves to mourn two great nieces and two great nephews, a number of cousins, aunts and uncles. Her baby sister Regina preceded her in death.

Organ Postlude

The grass withereth, the flower fadeth: because the spirit of the LORD bloweth upon it: surely the people is grass.

The grass withereth, the flower fadeth: but the word of our God shall stand for ever.

Isaiah 40:7-8

Sis

God saw you getting tired,

When a cure was not to be.

*So He wrapped his arms around you,
and whispered, "Come to me".*

You didn't deserve what you went through,

So He gave you rest.

God's garden must be beautiful,

He only takes the best

And when I saw you sleeping,

So peaceful and free from pain

I could not wish you back

To suffer that again.

Sis,

Where do I begin? There isn't enough time in a day to tell you what you mean to me. The bond we have is like no other. Most people won't understand what you and I have. You had me and I had you. We were inseparable. I would give anything to have you back. Your work on this earth was done so God called you home. I know granddad, grandma and Gina welcomed you with smiles and open arms. I'll never forget our last conversation you said "don't cry and that everything will be alright". Knowing that you're pain free and with God is what's keeping me strong. Continue watching over me. Until I see you again.....

Love Always,

Your Jelli

Tributes

Sis,

I love you very dearly and miss you very dearly already. There's a place in heaven and I know you're there.

Thanks for being my sister and a great aunt, a great great aunt and a great sister.

Love,
Jr.

I thought I saw her face today
In the sparkle of the morning sun
And then I heard the Angel say
Her work on earth is done

I thought I heard her voice today
Then laugh her hearty laugh
And then I heard the angel say
There's peace little one at last

I thought I felt her touch today
In the breeze that rustled by
Then I heard the angel say
The spirit never dies

I thought that she had left me
For the stars so far above
Then I heard the angel say
She left you with her love

I thought that I would miss her
And never find my way
And then I heard the angel say
She's with you everyday
