

IN LOVING MEMORY
*Sharon Marie
Adams*

Acknowledgement

The family of Sharon Marie Adams thanks you from the bottom of our hearts for all the love and encouragement you have shown us during this tragic time. So many of you stood with us, praying and sending positive, healing vibes while Sharon was fighting to heal from covid-19 and in our efforts to bring her back to the fullness of her life before it. She was a soldier till the end, all the while remaining patient, loving and kind to all who served her.

*Our gratitude to the nurses and staff at Ascension Living Lansdowne for taking such good care of Sharon over the last few years, especially Certified Nursing Assistant and close friend Bernice Loyd, who always went way above and beyond the call of duty. Many thanks to Tiffany A. Smith Life Memorial Centre — you continue to care for our loved ones as they take the next step in their journey with loving care and dignity.
Bless you all!*

Life Reflections

SHARON MARIE ADAMS was born in St. Louis, Missouri on November 17, 1948, to Roland and Marie Whitcomb, nee Richie. Both parents and her fiancé, Alfred McGee, preceded her in death.

Sharon graduated from Northwest High School in 1967, where she was active in a number of clubs and athletic groups. She went on to earn certifications in several areas and was employed at many well-known companies, including St. Luke's Hospital, America's Center Convention Complex and The Dome. She was a hard worker who loved people and thoroughly enjoyed all aspects of her job, especially working the St. Louis Rams football games. She was very giving – if you needed a ride, she was there; if you were hungry, she fed you; and she always had a shoulder to cry on.

Sharon was a fun-loving, free spirit who enjoyed concerts, sporting events, bingo and board games. She looked forward to physical therapy and the many activities the nursing facility had to offer. She was a social butterfly who never met a stranger and never missed an opportunity to be involved. She loved her family very much and knew they were always there for her, no matter what.

Sharon leaves to cherish her memory: two sons, Timothy Wallace Davis and Terrence Tamell Adams; her sister and brother-in-law, Mellarie and Tyree Thomas; grandson and granddaughter, Chris and Cinnamon Davis; great-grandchildren, Aubrie and Amiyah; her niece, nephews, aunts, cousins and many friends.

Those We Love

*Those we love remain with us, for love itself lives on,
and cherished memories never fade because a loved one's
gone. Those we love can never be more than a thought apart,
For as long as there is memory, they'll live on in the heart.
A gift for such a little while, your loss just seems so wrong.*

You should not have left us when you did;

It's with loved ones you belong.

*You fought so hard to stay with us, until you could fight no
more. Forever know you are loved and truly missed as you
walk through eternity's door.*

*~ We will miss your sweet spirit, your smile, the laughs, love
and hugs we shared over the years. You have your wings, now
fly...fly on and rest easy! ~*
