Recessional

Weep Not For Me

Weep not for me though I have gone

Into that gentle night

Grieve if you will, but not for long

Upon my soul's sweet flight

I am at peace, my soul's at rest

There is no need for tears

For with your love I was so blessed

For all those many years

There is no pain, I suffer not

The fear is now all gone

Put now these things out of your thoughts

In your memory, I live on

Remember not my fight for breath

Remember not the strife

Please do not dwell upon my death

But celebrate my life.

Love your grandchildren
