Philippians 1:21-23

*For to me to live is Christ,
and to die is gain.*

*If I am to live in the flesh,
that means fruitful labor for me.*

Yet which I shall choose I cannot tell.

I am hard pressed between the two.

*My desire is to depart and be with Christ,
for that is far better.*

*The family thanks the many friends and relatives who have
offered their love, prayers and support.*

A bright star with a purple and blue nebula background. The star is located on the left side of the image, with its light rays extending across the frame. The nebula is a mix of purple and blue hues, with some darker areas and some lighter, more vibrant spots. The overall effect is a sense of cosmic wonder and beauty.

*Perhaps they are not stars
but rather openings
in heaven
where the love
of our lost loved ones
pours through and shines
down upon us to let us
know they are happy*
