Isaiah 40:31

*But those who hope in the Lord will renew their strength.
They will soar on wings of eagles; they will run and not
grow weary, they will walk and not be faint.*

My favorite thing in the world is when our family is together. No matter where it is we have a great time. I love seeing the cousins together and the siblings together. No one could have nicer sons-in-laws and such smart well adjusted grandchildren. Thanks for all you have added to my life.

The family thanks the many friends and relatives who have offered their love and support. The family will greet you following the service in the gathering area where refreshments will be served.

The words in **red** are words the grandchildren and grandchild in law gave to describe their grandma.

*Grandkids **Loving** Words*

So many words they used to describe you
And all those words showed everyday too!
You were **witty, childlike, and life of the party** and **fun**
Yet you were **strong, courageous and gracious** until you were done.
They said you were **giving, caring, generous** and even a bit **classy**
But you were always **humorous, tenacious, resilient**
and a lot bit sassy.
Always a **crossword enthusiast** and always had to be
grammatically correct.
You were **beautifully blunt** or some might say you were
brutally honest and quite direct.
They said you were somewhat of a **liberal**...you think?
But with your friends you just loved cocktail parties
and wine to drink.
Thinking of her today, she was nothing short of a **Godly Matriarch**
As she was **faithful, a selfless servant** and within her family
she left her mark.
These are all perfect words for someone who was **inviting**
and everyone's friend
Because one thing for sure You were You all the way to the end.
A **brave warrior**, a **strong survivor** one who never complained
Always **kindhearted** and **spirited** with no time for blame.
Now that you are finally at peace and through those pearly gates
We know you are with Grandpa Moldy having fun and going on dates.
With your agendas planned you've become the **social butterfly**
from the start.
But Know the Grandma Diane...You will always be
OUR HEART
