**You are my sunshine my only sunshine**

You make me happy when skies are grey  
You'll never know dear how much I love you  
So please don't take my sunshine away  
I'll always love you and make you happy  
If you will only say the same  
But if you leave me for another  
You'll regret it all some day  
You are my sunshine my only sunshine  
You make me happy when skies are grey  
You'll never know dear how much I love you  
So please don't take my sunshine away  
The other night dear, as I lay sleeping  
I dreamed I held you in my arms  
But when I awoke, dear, I was mistaken  
I was peeping through the bars  
You are my sunshine my only sunshine  
You make me happy when skies are grey  
You'll never know dear how much I love you  
So please don't take my sunshine away  
You are my sunshine my only sunshine  
You make me happy when skies are grey  
You'll never know dear how much I love you  
So please don't take my sunshine away  
So please don't take my sunshine away.
