

Mom

A mother always understands
the things you say and do.
She overlooks each of your faults;
and finds the best in you.
A mother's love is a special love,
it inspires you each day;
She spreads her joy and happiness
in her warm and caring way....
A mother's all these things and more,
there's no greater treasure known.
The most precious mom in all the world
is the one I call my own.
