

She Is Gone

You can shed tears that she is gone
or you can smile because she has lived.
You can close your eyes and pray that
she'll come back or you can open
your eyes and see all she's left.
Your heart can be empty because you
can't see her
or you can be full of the love you shared.
You can turn your back on tomorrow and love
yesterday or you can be happy for tomorrow
because of yesterday.
You can remember her and only that she's gone
or you can cherish her memory and let it live on.
you can cry and close your mind, be empty and
turn your back or you can do what she'd want:
smile, open your eyes, love and go on.
