

Your Mother

Although you cannot hear her  
voice or see her smile no more,  
your mother walks beside you still  
just as she did before.  
She listens to your stories and she  
wipes away your tears; she wraps  
her arms around you and she  
understands your fears.  
It's just she isn't visible to see with  
human eye, but talk to her in  
silence and her spirit will reply.  
You'll feel the love she has for you  
- you'll hear her in your heart;  
she's left her human body but your  
souls will never part.
