

Thank you to all of those who loved and nurtured mom and dad throughout the years! Clark Riches and Dale Johnson for all the years of yard-work, Carol Riches for all of her homemade bread. Ann and Bruce Nelson for all their love, support, and errand running. Alan Clark, son Keith and Doris Randall for ministering. Phyllis, Calvin and Elaine Bastian for everything they did. Thank you, Denavar Price for all the years of washing and pin curling mom's hair! Green River has always been our extended family, and words can't begin to express our love and gratitude through all the years of service you've given! There isn't another place on earth more heavenly than here. We love, appreciate, and thank you all!
