

### **Your Mother**

Although you cannot hear her voice  
Or see her smile no more,  
Your mother walks beside you still  
just as she did before.

She listens to your stories and  
She wipes away your tears;  
And she wraps her arms around you  
And she understands your fears.

It's just she isn't visible  
To see with human eye,  
But talk to her in silence and  
Her spirit will reply.  
You'll feel the love she has for you  
You'll hear her in your heart;  
She's left her human body but  
Your souls will never part.
