

Acknowledgment

Perhaps you sent a lovely card or sat quietly in a chair. Perhaps you sent a floral piece, if so, we saw it there. Perhaps you prayed a sincere prayer or came to pay a call. Perhaps you sang a cheerful song, if so, we heard it all. Perhaps you spoke the kindest words, as any friend could say. Perhaps you prepared a tasty dish, or maybe furnished a car. Perhaps you rendered a service unseen, near at hand or from afar. Whatever you did to console our hearts we thank you so very much.

Our Loving Mother

Our Nana

Dear Mama, you have been the light in our darkest hours, the love when we didn't love ourselves, the strength when we felt like giving up, and the glue that has held us all together. We never imagined a life without you but you have taught us so much and with that we hope to make you proud. We love and miss you dearly mama and will rejoice when get to see you again.

*Love,
Whitney and Jordan*

Although we cannot hear your voice or see your smiling face, we know deep down in our hearts that you have not left us. Instead every day you surround us with the singing of the birds, the rising of the sun and the fall of night. We love and miss you Nana.

Love, Jayla, Madison and Karter
