Mother

*You're an Angel
The Angel who has always
Watched over our plans and dreams,
The angel who has enfolded us in the
gentle wings of love and caring.
The angel who has held all of our
deepest thoughts and feelings,
Safe within your heart.
You left us without a sound.
Mom, you will always be around
to watch over us.
Mom, you are that Angel.*

For a Special Grandmother

*On a very Special Sunday
In the lovely month of December
We celebrate the women who mean
More than words can say.
The ones we love with all our hearts
And feel so grateful for,
The ones who give and share so much
We couldn't ask for more.
We wish all the happiness
A special day can bring
And hope you know what's always true
That love means everything.
We love you, Grandmother.*

My Wife

*If roses grow in Heaven
Lord, please pick a bunch for me.
Place them in my wife's arms
And tell her they're from me.
Tell her I love her and miss her,
And when she turns to smile,
Place a kiss upon her cheek
and hold her for a while,
Because remembering her is easy,
I do it every day
But there's an ache within my heart
That will never go away.*

*Your Loving Husband
Tommie Sr.*
