

You can only have one mother

Patient kind and true no other friend in all the world will be the same to you. You can only have one mother please take her in your heart to always let her know you love her cherish and comfort her each day. As we look upon her picture sweet memories we recall. Jesus take this message to our dear mother, grandmother and great-grandmother up above and tell her how much we love and miss her. And most of all we will miss her smile her laugh her love, and most of all her voice. These three things we should cherish in our heart as we say goodbye to our dear Mother
